ITINERARY OVERVIEW

MON 5/29/28: Seattle, Washington - Embark at 3:00 PM
Seattle sits on the slip of land between Puget Sound and Lake Washington, with the Olympic and Cascade Mountains serving as a dramatic backdrop for this oh-so cosmopolitan city. Soar up the futuristic Space Needle and experience the views atop this stunning landmark created for the 1962 World's Fair.

TUE 5/30/28: At Sea (Cruising)
Get ready for a world of joy - from cocktails at the adults-only Vibe Beach Club to rejuvenation in Mandara Spa's Thermal Suite. Joy's culinary delights will please every palate - including three complimentary Main Dining Rooms with daily-changing menus and seaside lunches or dinner under the stars at The Waterfront. End your day with the awe-inspiring acrobatics of Elements.

WED 5/31/28: Ketchikan (Ward Cove), Alaska 7:00 AM - 5:00 PM
Thanks to its abundant rainfall, Ketchikan is surrounded by some of the world's most lush wilderness. Its Tlingit Indian name, Kach Khanna, means “spread wings of the eagle.” Chances are you'll see one of these magnificent birds perched atop a Sitka tree during your Alaska cruise to Ketchikan (Ward Cove).

THU 6/01/28: Sitka, Alaska 8:00 AM - 5:00 PM
Sitka is a charming island community surrounded with stunning mountain and seaside panoramic views. The vast and rich wildlife boasts sightings of whales, brown bears, deers, sea otters, and various birds flock here. This destination offers superb fishing, and plentiful historical attractions.

FRI 6/02/28: Icy Strait Point, Alaska 8:00 AM - 5:00 PM
Venture “where the north wind doesn’t blow.” Known for this famous saying, Icy Strait Point is the ideal landing spot for adventurers seeking a new experience. Breathtaking and exciting, Icy Strait Point truly takes you where the wild things are. It’s one of the few places in the world where wildlife outnumbers the human population. A trip here certainly satisfies your taste for adventure. Take a cruise from Icy Strait Point and enjoy Alaska's awe-inspiring scenery and the many excursion options that Norwegian Cruise Line has to offer.

SAT 6/03/28: Skagway, Alaska 9:00 AM - 7:00 PM
In a single year from 1896 to 1897, this remote town along the Inside Passage grew from a few tents to a city of 20,000 gold seekers. Today, travelers come in search of other riches – to experience yesteryear along Skagway's charming boardwalk lined with buildings that replicate those Gold Rush days.

SUN 6/04/28: Endicott Arm & Dawes Glacier (Cruising) Scenic View
This is why visitors come to Alaska—to see glaciers as magnificent as Dawes—and getting there is half the excitement. From Stephens Passage, your ship will turn into the glacially carved fjord of Endicott Arm, the southern sister fjord to Tracy. However, Endicott is special. It’s the fjord less travelled, and at its head, Dawes Glacier. But first, the 31-mile fjord. Sheer granite walls. Plunging waterfalls. Spruce and hemlock trees clinging to the steep sides. It is the definition of pristine. Look for “bergy bits,” floating chunks of glacial ice, some looking more like sculptures, some with resting seals on top. Keep an eye open for bears, mountain goats and whales, too. As we approach the glacier, listen for thunderous cracks and have your camera ready. Dawes is an active tidewater glacier that recedes daily causing calving, where huge hunks of ice plunge into the sea. At 600 feet tall and a half-mile wide, this blue-hued, powerful glacier may be the highlight of your Alaska cruise.

MON 6/05/28: At Sea (Cruising)

TUE 6/06/28: Victoria, British Columbia 8:00 AM - 5:00 PM
Roam the spacious lawns of stunning Butchart Gardens with its exotic flora, unusual topiary and exquisite fountains. Explore historic Bastion Square, the treasures of Chinatown and the many sights and sounds to be found along the boardwalk of the Inner Harbour.

WED 6/07/28: Seattle, Washington - Debark at 6:00 AM
