### Important Tour Information:

**Book Now rates valid until Jan 21, 2027, valid on air inclusive packages only.**

**The overall activity level of this tour is a level 3.** This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

#### **Travel with an average of 37 people (maximum of 44).**

During your Choice on Tour in Lisbon, one of the walks requires 2 miles on cobblestone streets with uphill sections.

Porto is a compact city with many hills, cobblestone streets and uneven ground. Our Porto visit will take approximately 3 hours and you should be prepared to stand for longer periods of time.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Portugal has strict regulations on where tour buses can circulate, with mandatory drop off and pick up points, especially in historic areas like Lisbon, Porto, Óbidos, and Aveiro. In Lisbon and Porto, be prepared to walk around 3 miles (4.8 km) to complete the sightseeing, with limited chances to sit. The full day walking tour takes place on mostly flat terrain, but streets are cobblestoned, sidewalks are narrow, and areas are often crowded. For your comfort and safety, we recommend wearing comfortable walking shoes.

This tour covers a total of 1400 miles/ 995kms in 12 days, with the longest transfer day being a 4-hour drive covering 215 miles/350kms from Porto to Cascais and a 4-hour drive covering 215 miles/350kms from Lagos to Lisbon.

This tour offers the option to add up to three optional excursions, which provide extra value and authentic local experiences. However, if you

choose to include all three, the sightseeing schedule will become quite full, with limited opportunities for rest.

**\*\*Due to inclement weather or challenging sea conditions, operation of the optional boat tour will only be reconfirmed on the day of service.**

**\*If you plan to visit Livraria Lello, we recommend that you purchase tickets in advance.**

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

To complete your tour, we include round-trip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of *purchasing* these transfers. Please note that all transfers will leave at pre-scheduled times.

Air travelers will arrive into Porto, Portugal airport. At the end of the tour all transfers will depart from Lisbon to Lisbon airport.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Please be advised, many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Prepaid tipping is not available on our tours therefore payment of customary end-of-trip gratuities for your Tour Manager, driver, hotel housekeepers, and cruise ship waitstaff should be handled individually when applicable during the course of your tour.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.

### TRAVELERS NEEDING SPECIAL ASSISTANCE

You must report any disability requiring special attention to Collette at the time the reservation is made. \*Collette will make reasonable efforts to accommodate the special needs of our participants. Such participants, however, should be aware that the Americans with Disabilities Act is inapplicable outside of the United States and facilities outside the United States for disabled individuals are limited. It is strongly recommended that persons requiring assistance be accompanied by a companion who is capable of and totally responsible for providing the assistance. Neither Collette nor its personnel, nor its suppliers, may physically lift or assist clients into transportation vehicles. If a traveler thinks he or she might need assistance during a trip, he or she should call Collette to determine what assistance might reasonably be given. Collette cannot provide special individual assistance to tour members with special needs for walking, dining, or other routine activities. Internationally, a great deal of walking may be necessary to fully enjoy the destination. Travelers should be in good health and must be able to walk reasonable distances. In some areas, travelers may be required to walk on uneven ground, cobblestone streets or raised thresholds.

***\*To request a wheelchair accessible room on a cruise, the traveler or person sharing the room must have a recognized disability that alters a major life function and requires the use of a mobility device and the use of the accessible features provided in the wheelchair accessible stateroom. The cruise company may take appropriate action against someone who has reserved or purchased such a stateroom fraudulently. Action may include but is not limited to removal from the stateroom to a non-accessible accommodation up to denial of boarding.***
